**AGREED MOTION FOR ENTRY OF STAY ORDER**

By agreement, the parties move for an Order of Court staying proceedings during the pendency of Plaintiff's criminal proceedings. In support of this motion, the parties state:

1. On March 23, 2022, this Court indicated “that pursuant to the *Younger* abstention doctrine set forth in *Younger v. Harris*, 401 U.S. 37 (1971), stay of this case during the pendency of Plaintiff’s underlying state court appears to be mandated.” See Doc. # 76.

2. The parties have subsequently conferred on this matter and are now in agreement that this case be stayed pending the resolution of Plaintiff's criminal case, the trial of which is set in October, 2022. Specifically, the pretrial is set for October 13, 2022 and trial is set for October 18, 2022.

3. The parties further move that this Court provide for an interim status report date approximately 90 days from the date of this Order at which time the parties may advise the Court as to whether there has been any change in status.

Respectfully submitted,
